In Re Application of

Applicant : Rajesh V. Patil
Serial No. : 10/045,916
Filed : 9 Jan 2002
Examiner : Ryan F. Pitaro
Art Unit : 2174
Entitled : System and Method for Dynamically
Presenting Actions Appropriate to a
Selected Document in a View
Docket No. : LOT920010028US1

STATUS REQUEST

Honorable Commissioner
for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants inquire as to the status of the above
identified application.

An examination of applicant's files indicates that on
July 20, 2005 the Examiner initiated a telephonic interview
with applicant's attorney at which time applicant agreed to
an Examiner's amendment and was informed that the case would
be allowed in due course.

Applicants have attempted unsuccessfully on several
occasions to access the record on PAIR to ascertain its
status.

Applicant's correspondence address is specified on the record (in the Declaration filed 9 January 2002) as 55 Cambridge Parkway in Cambridge, Massachusetts, and has not been previously changed. Mail directed to that address is still received; however, the current mailing address for applicant is set forth in the attached Change of Correspondence Address.

Any mail mis-directed in this case to the New York address of applicant's attorney is not received.

Sincerely,

Rajesh V. Patil
